

Act 185 Grants Committee

DRAFT - County Letters of Interest Summary Table

The table below provides a summary outline of counties' letters of interest. More specific details, including how their proposed SRCCCY fits in with the county's broader youth justice services, can be found within their individual letters of interest.

County	Projected Capacity	Stand alone or Attached	Single or Multi County	Est. Cost
Brown	24-32, males and females	Build a new stand-alone facility	Single county proposal, but would serve youth across counties. Estimates serving 13 youth from other counties.	N/A
Dane	Males: 18-23 beds Females: 5-6 beds	Attach to current juvenile detention facility	Single county proposal, but would serve youth across counties. Estimates they would have 12-14 males and 3-4 females from Dane, leaving the rest for other counties	\$3.5 - \$4.5M
Fond du Lac	16 males	Attach to a proposed new detention facility	Single county proposal but would serve youth from multiple counties	N/A
GLITC / Tribes	<i>N/A: GLITC submitted on behalf of the tribes if a tribe chose to submit an application</i>			
La Crosse	20 male only SRCCY, co-located with 15 co-ed for short-term detention	Build a new facility to co-locate with short-term detention	Single county proposal but would serve youth from multiple counties	\$18 - \$20M
Milwaukee	62 total: remodeling and repurposing of 22 existing beds for the Milwaukee County Accountability Program (MCAP) and 40 beds at new SRCCCY; 5 beds for females	Remodel existing and build a new facility	Single county	\$41.4M
Racine	48 beds (detention and SRCCCY); male and female	Build a new facility to co-locate with detention	Single county proposal but would serve youth from multiple counties	\$38M
